QUINTESSENTIAL...

... Perfect contemporary
bedroom furniture starts here

THE
QUINTESSENTIAL
RANGE

BEAUTIFUL INTERIORS

We all want a fitted wardrobe that looks good, but we also need it to efficiently store tons of stuff that we seem to accumulate on a weekly basis... we'll make sure that barely a square inch of your valuable space is wasted.

These interiors are a good starting point, but our designer will drill down into what you actually need to store and design an interior that's just right for you!

THE
QUINTESSENTIAL
RANGE

MIX & MATCH UPTO 5 PANELS

Select upto 5 wood effect or glass panels in any sliding door to match or complement an existing or intended bedroom theme.

All Quintessential sliding doors are made to measure to fit wall to wall and floor to ceiling so there is no space wasted by unnecessary framework.

See page 14 for matching drawer chests, bedsides and dressing tables etc.

4 PANEL DOOR

See page 15 for other available door combinations

ADD DECOR BARS...

...to plain doors for a more horizontal effect.

Upto 4 Decor Bars can be added. Bars can be left off of mirrored doors for an uninterrupted reflection.

THE
QUINTESSENTIAL
RANGE

Beige light glass sliding doors with one silver mirror

...OR KEEP IT SIMPLE

with single panel doors in glass or wood effect - and why not add one mirror door for dressing!

Metal taupe glass sliding doors with one silver mirror

THE
QUINTESSENTIAL
RANGE

STANDARD DOOR FRAMES

S900 and S720 sliding doors can be supplied in a double sided format suitable for moving screens and access doors over en-suites for example.

Side stile samples are available on request.

WIDE FRAME

Wide framed doors can be supplied double sided and are available in wenge wood effect plus white, black and silver, but can also be supplied as real wood veneer in natural oak or dark oak finish. Where the real wood finish is chosen all front frames can be finished to match the door frames, if required.

RANGE

LIGHTING

Choose lights in a flyout pelmet to illuminate the wardrobe interior and the room or, more discretely with a continuous LED strip positioned inside the wardrobe behind the top track.

THE
QUINTESSENTIAL
RANGE

Brown classic glass doors with one silver dressing mirror. Interior drawer fronts are in matching brown classic glass.

THE
QUINTESSENTIAL
RANGE

ANGLED DOORS

...and corner wardrobes.

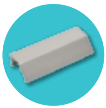

In modern new build design, useless loft space is fast becoming valuable living space and our doors can be made to fit perfectly.

THE
QUINTESSENTIAL
RANGE

DRAWER CHESTS & BEDSIDES

All drawer chests in the Quintessential range are supplied fully constructed and fitted with Blum® soft close drawer runners as standard. Drawer boxes are of a high quality, wood veneer ply (including the drawer bottom). Drawer fronts can be supplied to match the chosen sliding door finish if required.

SLIDING DOOR COMBINATIONS

Sliding doors can be made in 1 piece or in upto 5 different glass and / or wood effect panels.

Mixing upto 5 different glass / wood effect panels offers a huge range of options and, of course, many of the combinations chosen will be unique to you!

Choose from over 40 different types and finishes of glass and 9 wood effects or keep it simple with single panel doors with the addition of 1 or more decor bars for a less minimal look.

DOOR PANEL OPTIONS

Mix and match upto 5 different wood and / or glass panels.

FROSTED GLASS

Frosted glass doors can look stunning over a well organised interior. And, as shown on this page, the frosting can be 1 or 2 panels, a complete door or, of course, a complete wardrobe. The choice is yours.

All doors in the Quintessential range are made to measure to fit wall to wall (or side panel) and floor to ceiling (upto 2.6m).

High quality aluminium framed sliding doors made to measure to fit your space perfectly!

GLASS SAFETY & QUALITY

Quintessential doors and drawer fronts are made using the following leading decorative glass products; Lacobel®, Matelac®, Matelux® and Mirox®. Whenever you see this label you can be confident that not only is the glass regularly safe tested to the new European safety standard EN12600 (2B2), but is also tested for heat, fade, moisture and scratch resistance.

Lacobel®, Matelac®, Matelux® and Mirox® are all registered marks of AGC Glass Europe SA.

The Glass in this Door/Drawer is **LACOBEL®SAFE...** when you know it's Lacobel®safe you know it's been tested and certified

- ✓ Lacobel®safe glass is safety backed to EN12600 (2B2) as part of the glass manufacturing process.
- ✓ Lacobel®safe is tested for heat, fade, moisture and scratch resistance.
- ✓ This product is guaranteed by Commonfield® for 10 years.

Lacobel® is the registered mark of AGC Glass Europe SA
