* glass only. Supplied with 12mm backing panel

** doors above 1050mm available in silver mirror or split panel only

*** doors above 2480mm must be 3 or 4 split panel except S800

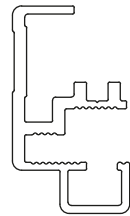

S600

SLIDING WARDROBE DOORS

S600 sliding doors are absolutely great value for second and third bedrooms but still offer all the benefits of aluminium frames.

S600 doors are compatible with 4mm glass and 8mm board.

S600 PROFILE

SLIDING DOOR COMBINATIONS

Sliding doors can be made in 1 piece or up to 5 different glass and/or wood effect panels.

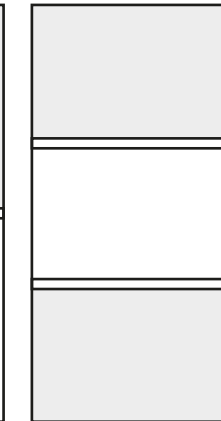

Choose from a range of different types and finishes of glass and wood effects, or keep it simple with single panel doors with the addition of 1 or more decor bar.

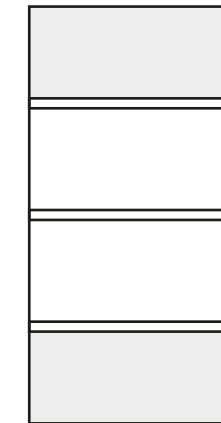

Single panel door

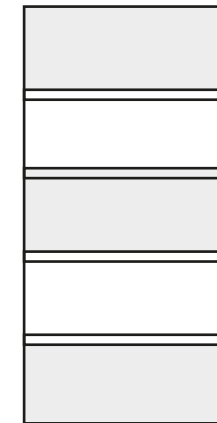

2 panel door

3 panel door

4 panel door

5 panel door

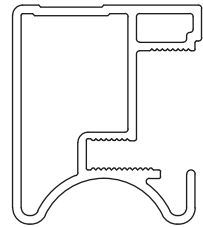

S700

SLIDING WARDROBE DOORS

S700 has proved to be our most successful sliding door and works with 4mm glass or 18mm decorative board.

S700 doors feature hidden twin-bearing rollers for smoother running.

S700 PROFILE

S700 ANGLED DOORS

- Perfect solution for loft rooms
- Doors can be made to fit most angles
- Available in all glass and board finishes
- No space wasted with bulky framework
- Stabiliser arm provides support for top of door (requires internal shelf for stabiliser arm to run along)
- Angled doors with a pointed top (as per far right door in image) require 2 stabilisers

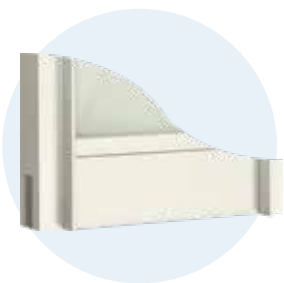

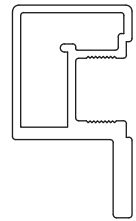

S710

SLIDING WARDROBE DOORS

S710 doors consist of high-quality extruded aluminium framed door panels. Single sided doors are available in all glass and board finishes.

S710 PROFILE

S710 DOUBLE SIDED SLIDING DOOR

- This door can be single or double sided
- Double sided doors available with glass or mirror finish on the front and back of the door
- Ideal for room dividers or walk in wardrobes
- Doors run smoothly on adjustable bottom wheels and are guided by extra deep top track
- Inset floor track option available

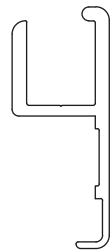

S800

SLIDING WARDROBE DOORS

Beautifully finished, our S800 door is the newest addition to our sliding door range. This door has our narrowest aluminium profile making it appear frameless.

S800 PROFILE

S800 OUR NEWEST SLIDING DOOR

- Minimal aluminium door trim gives the door a 'frameless' appearance
- Middle handle section always positioned 1000mm from the bottom of the door
- Choose from any of our glass, mirror or board finishes
- Available with silver aluminium door trim and handle
- Modern door style suitable for many room types
- Only 2 split available

INTERIOR OPTIONS

S150 HINGED DOOR PROFILE

S110 HINGED DOOR PROFILE

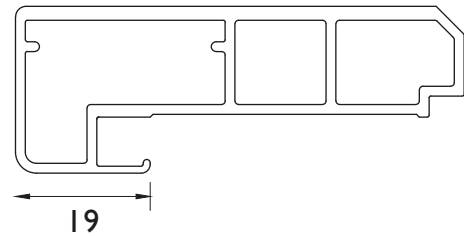

H100

S150

HINGED WARDROBE DOORS

Our S150 hinged door has a silver aluminium frame which can be cut to accommodate an angled ceiling. Available in all glass and mirror finishes.

S150 PROFILE

S150 HINGED DOOR

- Angle door available
- Soft close hinges
- Compatible with cone handle or push to open hinges
- Silver aluminium door trim
- Available in all glass and mirror finishes
- Perfect for awkward spaces including loft rooms

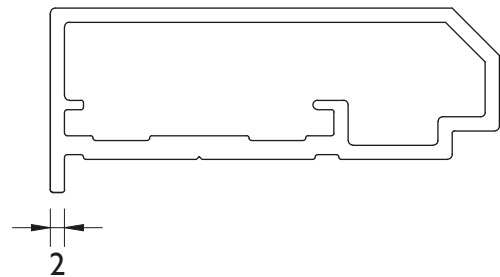

SI 10

HINGED WARDROBE DOORS

Most of the aluminium door frame is housed on the back of this door, from the front it appears frameless.

Available in all glass and mirror finishes except grey metal.

SI 10 PROFILE

SI 10 HINGED DOOR

- Push to open hinges only
- Maximum door height 2400mm
- Maximum door width 600mm
- Compatible with all glass and mirror finishes (except grey metal)
- Contemporary door style

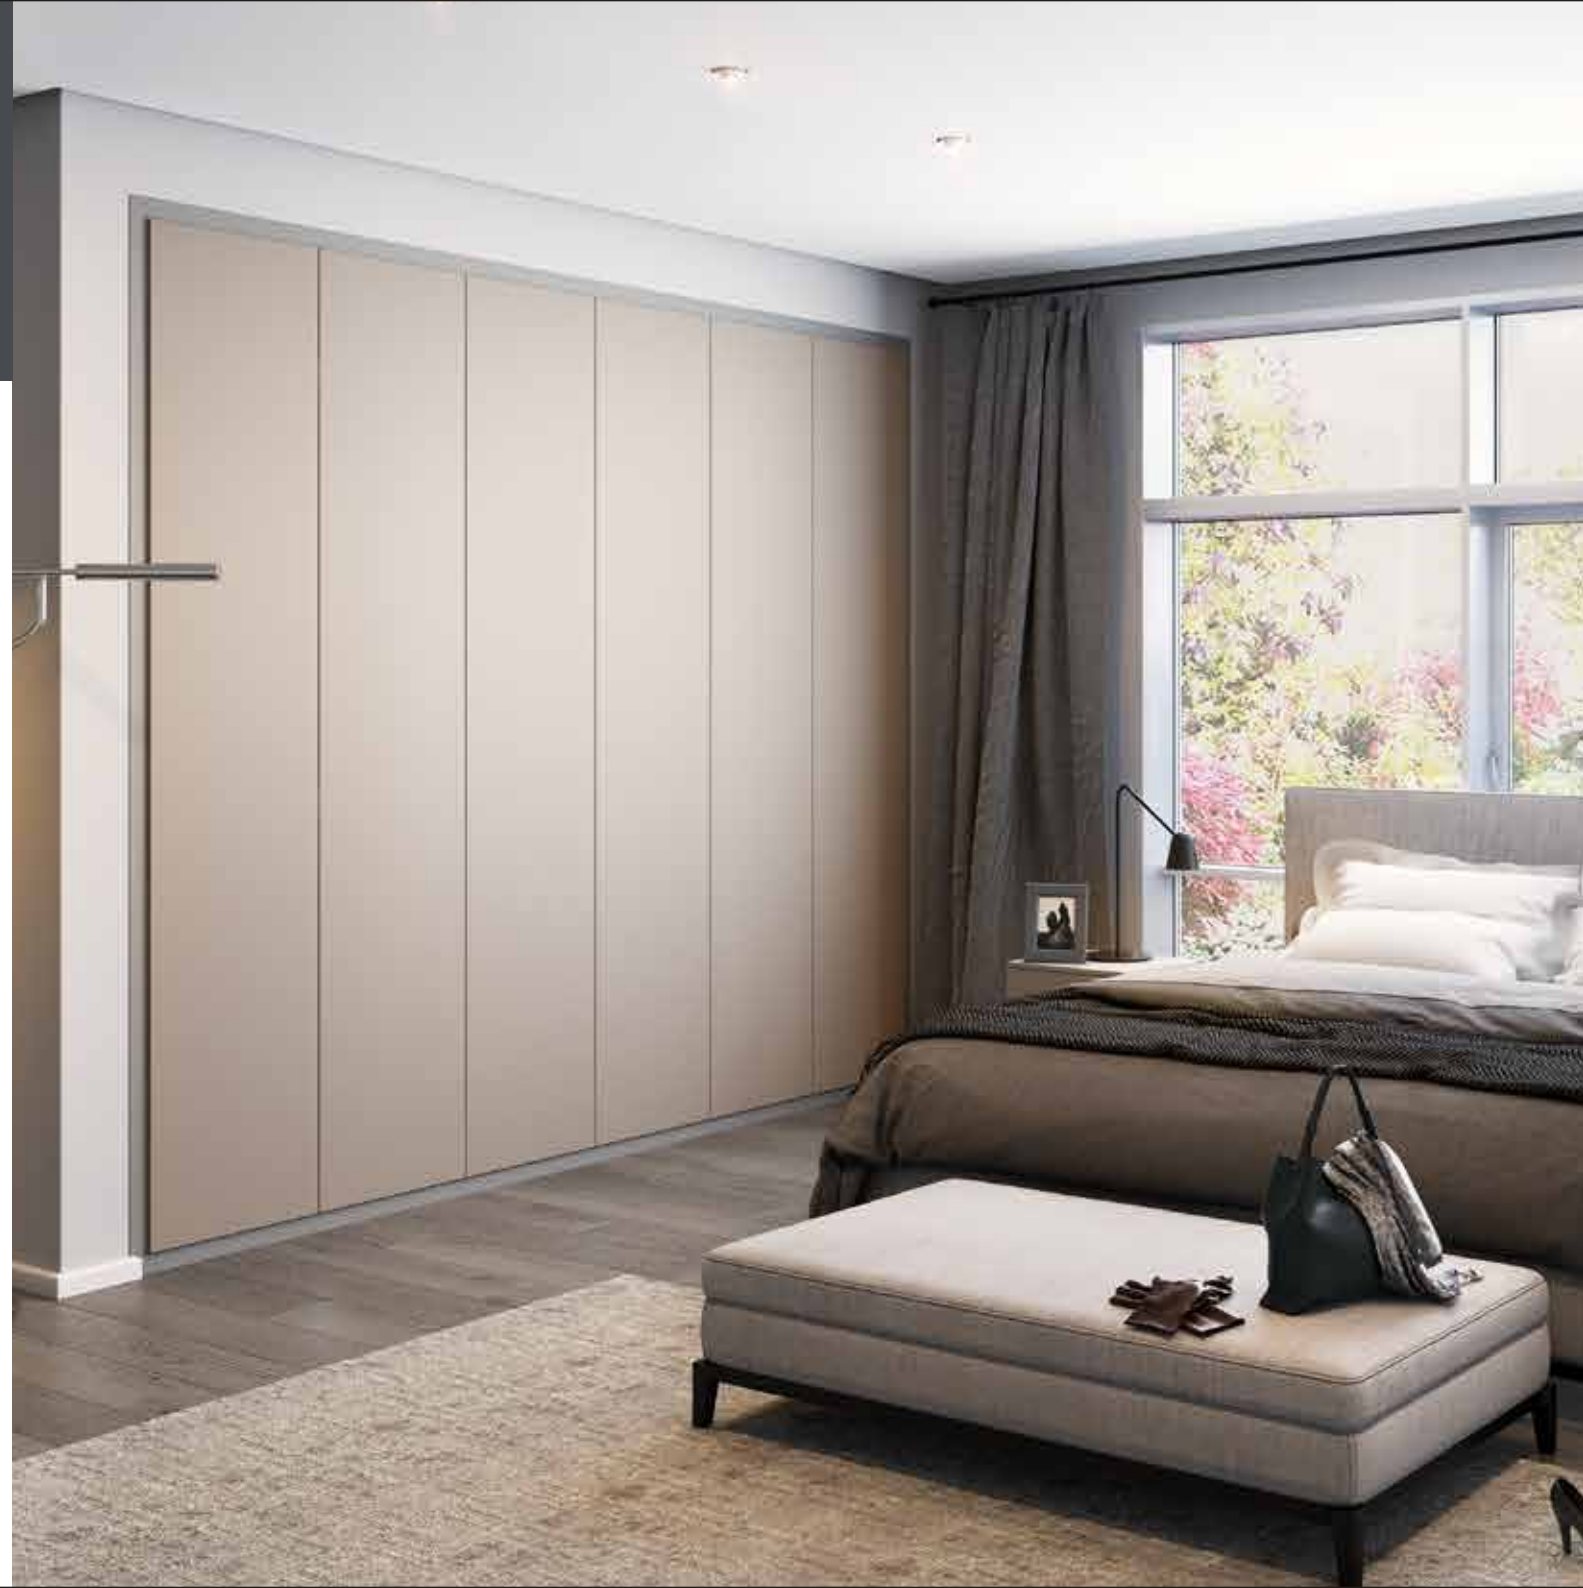

H100

HINGED WARDROBE DOORS

H100 hinged doors are expertly manufactured in 18mm board with 2mm rounded PVC edging.

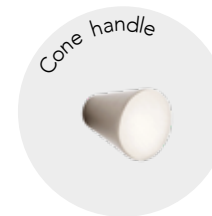

Available in all board finishes and compatible with all handles. Angled door option available.
